# Annual Shorthorn Sale

Walton,  
Nebraska

Ervin and Carl Retzlaff are genuinely proud of the record being made by Braemor Farms Shorthorns.

We know that Braemor Farm Shorthorns has never contained as many real top breeding females and as much herd bull strength as it does today. The herd has always been maintained on a practical farm basis and has had to make money for us year in and year out.

We were pleased at the National Shorthorn Show held at Des Moines, Ia., during the Iowa State Fair, to have our Shorthorns rank right with the best of them. It was a thrill indeed to show the first prize senior yearling bull that was sired by a bull bred by us and sold after he had been a Kansas State Fair grand champion to J. L. Johnson, Tekamah, Nebraska. It was the same thrill we received at the National Western Stock Show in Denver last January when we saw John R. Cummings & Son, Elizabeth, Colorado, show the first prize senior yearling bull also in a National show, Braemor President 22d. They had purchased him in our 1953 sale as a calf for \$1,050. The year before they had purchased his half-brother out of the same dam for \$650 and resold him in their sale for \$2,500.

We are sure that this offering includes just as many outstanding opportunities for wise investment as we have ever offered.

We hope you will be our guest at the farm on October 6.

## BREEDING THAT CONTINUES TO PRODUCE . . .

Having just returned from the National Shorthorn Show held during the 1955 Iowa State Fair it is easy to tell you about some of the outstanding cattle in this sale because they were among the top in probably what will be the strongest show of the year. Braemor President 34th, the lot 2 bull, was the first prize winner in the senior yearling bull class. His sire also was bred by the Retzlaffs. Braemor President 38th, the lot 1 summer yearling bull, stood third in class in one of the hottest classes in the show and was tagged by many top cattlemen present as one of the best young bulls being shown this year.

44 lots of the same breeding as these top winning young bulls make up this entire offering. Many times before in previous Retzlaff sales, buyers have purchased future prize winners and producers of prize winners. It will happen at the Retzlaff farm again on October 6 because I am sure this is the most valuable offering of registered Shorthorns they have ever made.

BRAEMOR PRESIDENT 45th, this bull accidentally had a stick puncture his right eye and knock it out. His dam, Jealousy 7th, has been a consistent producer of show calves and you will like this outstanding red senior calf. We think he is one of the best bulls selling in the sale and while the loss of one eye won't handicap him as a breeding bull we know it will provide an opportunity for someone to own an outstanding bull worth the money.

THE NEXT 10 HEIFERS, LOTS 11 to 20 ARE ALL OPEN  
AND ARE ONE OF THE MOST VALUABLE GROUPS  
OF FEMALES WE HAVE EVER OFFERED.

LOTS 21 to 30 ARE BRED COWS AND HEIFERS, AND
